Dear Families,

Please join our SPS community for a fun day in the park. We invite all families to come to Deanmore Reserve to enjoy a picnic in the park and participate in Geocaching!

Miss Clark’s 3/4 class has been working hard to set up various geocaches around the Deanmore Reserve and surrounding areas for families to participate in a Geocache treasure hunt together. As the geocaches are placed in the park, as well as surrounding areas, it is necessary that parents accompany their child when searching for the geocaches at the various locations.

Please BYO picnic food and drink, blanket and chairs.

We hope to see you there!
What is Geocaching?

Geocaching is a real-world, outdoor treasure hunting game using GPS-enabled devices. Participants navigate to a specific set of GPS coordinates and then attempt to find the geocache (container) hidden at that location.

What you need to Geocache:
- First, you will need to sign up on geocache.com to create a free account
- Then, you will need to download the Geocache App on your smart phone.

Things to Bring:
- Smart phone
- Hat
- Sunscreen
- Sneakers
- Pen or pencil
- Backpack

For more information about Geocaching, please visit: https://www.geocaching.com

Please contact Miss Clark if you have any further questions or concerns.

Sincerely,
Miss Clark
