Term 1 Edu–Dance and School Open Evening

Dear Parents / Caregivers

During term 1, all of our students will be participating in the Edu-Dance program. Students will be showcasing their efforts at our school Learning Journey on Monday 4 April 2016. Edu-Dance is a creative dance and exercise program designed specifically for primary school children to improve levels of health and fitness while encouraging all students to undertake a challenge and have fun. It is important that students wear suitable footwear on these days.

Sessions will run:

Weeks 2 - 9: Wednesdays

and

Week 10: Monday (PLUS evening performance on Monday 4 April at 6pm)

Please take this opportunity to save the date of our school Learning Journey on Monday 4 April, from 5.00pm. The event will include open classrooms showcasing term 1 learning, and will culminate in the Edu-Dance performance.

The cost of the Edu-Dance program is $31 per student (PP – Yr 6). Please send money and attached permission slip to your child’s classroom teacher by Friday 5 February.

Kind regards
ERICA SALT
