A MINI NEWSLETTER

28 JANUARY 2016

Mr Jason Crofts, Principal

Principal's Message

I hope that all families have had a restful holiday period. The students I have spoken to this week are all eager to return to school and renew friendships with their friends. We have enrolled a number of new students over the holiday period and our numbers for the beginning of 2016 are a very healthy 147.

Our class structures for the start of the year were advertised at the end of last term and I am now able to place teachers into their roles for the year. Our class lists for the commencement of term will be placed on the library window from 1pm on Friday afternoon. Please be aware that with numbers increasing all classes are subject to change until week 3 of term 1. Changes to class structures are not an easy decision to make and are only made in the best interests of the school community.

I ask that published class lists are not circulated via social media as this breaches the privacy of many students and their families.

I look forward to seeing the many smiling faces on Monday. If you see a new student or family to our school please make them feel welcome and give them a warm Scarborough PS smile.

Regards

Jason Crofts
