The Canteen Manager is responsible to the P & C Executive and Canteen Sub-Committee

The School is committed to implementing the Policy and Standards for Healthy Food and Drink Choices in Public Schools. This policy sets standards for the delivering of healthy food and drink choices in public schools. A working with Children check will also be required.

The standards are based on a traffic light system: GREEN – fill the menu; AMBER – select carefully; and RED – off the menu. A requirement will be to attend Online Traffic Light Training which is informative and supportive.

It is so much about giving something back to the school and the students. There is also such a wonderful opportunity to increase ones knowledge and skills in the areas of cooking and food preparation, food hygiene, safety and nutrition. Making new friends and enjoying opportunities to socialise are all such a wonderful part of it all too and of course kids love seeing their mum, dad or family member helping where they can.

Contact Bruce Harvey, Canteen Co-ordinator on 0438 577 747 or Michelle Innes, P&C President on 0438 912 109 for further information.

We really look forward to the next chapter of our Snack Shack.
