Principal’s Message

BUZ Rangers is a student leadership program being undertaken by our Year 4 students. The students will use the skills developed to further develop their leadership skills as well as assist other students who are not feeling confident in the playground. Big thank you to Will for coordinating the program with our Year 4 students.

Keep the date free for EduDance and Learning Journey on Monday 4 April. The children have been dancing up a storm on Wednesdays and the performance will be full of action. 100% of students have been participating in the lessons, thank you to all of our parents for supporting the program.

Please take the opportunity to check your children’s hair for head lice over the long weekend. All schools struggle with this ongoing issue in the classrooms and playgrounds. For more information on how to look for and treat head lice see the link below to the WA Health Department. The successful candidate will be responsible for the day to day operations and management of the canteen which will include basic book keeping. The manager needs to demonstrate an understanding of healthy eating and the ability to prepare, cook and promote healthy food. The Canteen Manager is responsible to the P & C Executive and Canteen Sub-Committee.

The School is committed to implementing the *Policy and Standards for Healthy Food and Drink Choices in Public Schools*. This policy sets standards for the delivering of healthy food and drink choices in public schools. A working with Children check will also be required.

The standards are based on a traffic light system: GREEN – fill the menu; AMBER – select carefully; and RED – off the menu. A requirement will be to attend Online Traffic Light Training which is informative and supportive.

It is so much about giving something back to the school and the students. There is also such a wonderful opportunity to increase ones knowledge and skills in the areas of cooking and food preparation, food hygiene, safety and nutrition. Making new friends and enjoying opportunities to socialise are all such a wonderful part of it all too and of course kids love seeing their mum, dad or family member helping where they can.

Contact Bruce Harvey, Canteen Co-ordinator on 0438 577 747 for further information.

We look really forward to the next chapter of our Snack Shack.
