Thursday 15 February - Parent Sessions:

Mrs Potter 5.00pm

Miss Andrews 4.30pm

Friday 16 February - Surfing

It was wonderful to see so many happy faces returning to school on Wednesday morning. I did notice a few parents shedding a tear while dropping off some of our new kindy students. I also noticed a few parents celebrating the start of the year. The start of the year is the time our classrooms establish routines and expectations for the rest of the year. Over the coming weeks your children should be coming home and talking about our school values of Be Respectful, Show Commitment and Be Responsible. These values are across every year level and every learning area. These values also align with our expectations of student behaviour in classrooms, playground and other areas of the school.

Each class is in the process of developing a Class Charter. These are developed by the students so they have ownership over the learning culture in their classrooms. Classroom meetings will also occur in each class as a mechanism to build a sense of community, share ideas and solve challenges together. You will learn more about class charters, classroom meetings and our values at the parent sessions in the coming weeks. The dates and times for these meetings are mentioned in the upcoming events section of this newsletter.

I would like to welcome our 40 students and families starting kindy this week. Our kindy staff will make sure that every single student feels special during the transition to school. We also welcome the many new students from Pre-primary to Year 6 who have joined Scarborough in 2018. Welcome to Miss Terez Mukics, teaching Year 3/4 in Room 1; Mrs Gray, as an education assistant in Room 4; and Miss Nicolle Addison, as an education assistant in Room 2. If you see a new face in the hallway, whether it be a student, parent or staff member, please give them a big smile and welcome them into our community.

Please be aware at the beginning of the day, our staff are busy preparing for the day ahead. We ask that families remain outside the building until 8.35am. The end of the day is very busy with all our classrooms working hard up until 3.00pm. To support this learning, we ask that parents do not enter the hallways before the bell goes at 3.00pm. This will allow our classes to finish off the day with minimal distraction. If you need to come to the reception area, feel free to enter through the main entry.

Volunteers needed

We have been busy doing a sort out of furniture and so we are now calling upon our wonderful community to assist us in finishing off the task of moving and reorganising around the school. If you are able to spare an hour or two to assist, we'd be very grateful.

Friday 9 February: 9:00am – 12:00pm

Come and meet Erica Salt outside the library. Thank you so much for your support.

From the Office

Office Hours: 8.00am - 3.30pm

School Information

Please refer to the Parent Information Book 2018 for everything you need to know about Scarborough Primary.

School and P&C Payments

Absences

It is important that we know if your child is not attending school and the reason why. You can SMS the school on 0409 113 567, send an email to scarborough.ps@education.wa.edu.au, telephone the school on 9341 1202 or send a message via the school app "Skoolbag". Please advise the school prior to 9.00am.

The Skoolbag app is a great way for us to keep in touch with you. We can notify the school community of any changes to events such as: the canteen closing, a change of date of a sports carnival or the arrival time of a bus from an excursion.

You can check the term planner, the latest newsletter, up-coming school events and P&C news. For all our new families or anyone that has not yet downloaded the app, please download it today.

The app is available for Apple, Android and Windows devices. Search for 'Scarborough Skoolbag' on your app store and download it for free!

P&C News - Newsletter coming next week via the school app. Make sure it's downloaded!

Community News - See the website for more information.
