### School Board Position

Are you interested in contributing to the governance of Scarborough Primary School as a parent representative on the School Board? One parent representative Board vacancy exists for a two year tenure. You will need to be a parent at Scarborough Primary School in 2018 to be eligible. Should there be more nominations than vacant positions, all parents will be offered the opportunity to vote. If you are interested please contact Jason Crofts, Principal, or Andrea Marchesi, School Board chair, to answer any of your questions.

The Board's role is required to help the school deliver a quality education experience to our children by:

- establishing and reviewing the goals, priorities and policies of the school;
- supporting the development of our School Business Plan;
- planning for and approving school budgets;
- evaluating the performance of our school in achieving the goals set; and
- promoting our school within the community.

Nomination forms are available on the school website, through the front office or through the following link:

[Nomination for Parent Representative Position March 2018](#)

The next meeting of the School Board is on Wednesday 21 March at 6.00pm. All of our meetings in 2018 are open to the school community.

### Parent Class Representatives

Our parent class representatives play a vital role in connecting the P&C to the classroom. Our parent reps work with both the P&C and class teacher to assist the distribution of information, promoting of upcoming events and welcoming new families to our school community. More details on the role of the class representative can be found on our website under the P&C heading at

<http://scarboroughps.wa.edu.au/p-c/class-representatives/>

If you are able to fulfil the class representative role, please let your class teacher know.

### Parent Workshop – Helping your child to read

The first of our parent workshops in 2018 will focus on helping your child to read. Keep the early evening of Thursday 22 March free, between 5.00 and 6.00pm. Invitations will come home through our classrooms for this event in the next week. I urge all families to send at least one parent to the session, to find out how you can support your child to become a better reader. The focus is on students up to year 2, however parents and carers of students in years 3-6 are welcome to attend.

Anyone who reads to their child at home should attend.

### Business Plan Community Session

As part of the process to develop our next Business Plan we will be holding a session at the next P&C meeting on Tuesday March 13. Participating in the session is a great opportunity to help shape our priorities and programs over the next 3 years. Come along from 6.30pm to have your say.

### Swimming Carnival

The final results of the swimming carnival: **Parmelia 1<sup>st</sup>** **Challenger 2<sup>nd</sup>** **Stirling 3<sup>rd</sup>**

Congratulations to those who won championship medals:

Year 3 girl- Mia	Year 3 boy- Coast	Year 4 girl- Amalia & Maya	Year 4 boy- Brodie
Year 5 girl - Caiti	Year 5 boy - Charlie M	Year 6 girl - Emily W	Year 6 boy - Hayden & Finlay

Thank you to all the volunteers who came on the day to assist with the smooth running of the carnival. Thank you to Mrs Salt and the faction captains for organising the competitors during the day.

### Thank you

Thank you to the wonderful volunteers, including Mr Lyu and Mrs Pan, Mrs Springer and Mrs Madden, who assisted Mr Gordon and Mrs Salt moving furniture and tidying the P&C shed. Your efforts have made a world of difference to our school.

### Reminder to all parents

We realise it is not always possible to walk or cycle to school, so we ask that if you are driving your children to school, to show consideration to our neighbours by not parking on verges, blocking driveways or parking too close to intersections. We have recently had reports of broken sprinklers and waste disposal trucks not being able to empty our neighbours' bins.

Please park in areas that are safe and where parking is allowed. We appreciate your cooperation in this matter.

### Long weekend

Have a happy and safe long weekend.

**Mr Jason Crofts - Principal**
